INTERNATIONAL SEARCH REPORT

Box II Observations where certain claims were found unsearchable (Continuation of item	2 of first sheet)
This International Search Report has not been established in respect of certain claims under Article 17(2)(a) for	or the following reasons:
1. X Claims Nos.: because they relate to subject matter not required to be searched by this Authority, namely:	
Although claim 15 is directed to a method of treatment of the body, the search has been carried out and based on the alleg composition.	ne human/animal ged effects of the
Claims Nos.: because they relate to parts of the International Application that do not comply with the prescribed recan extent that no meaningful International Search can be carried out, specifically:	quirements to such
3. Claims Nos.: because they are dependent claims and are not drafted in accordance with the second and third sent	ences of Rule 6.4(a).
Box III Observations where unity of invention is lacking (Continuation of item 3 of first she	et)
This International Searching Authority found multiple inventions in this international application, as follows:	
As all required additional search fees were timely paid by the applicant, this International Search Rep searchable claims.	ort covers all
2. As all searchable claims could be searched without effort justifying an additional fee, this Authority did of any additional fee.	not invite payment
3. As only some of the required additional search fees were timely paid by the applicant, this Internation covers only those claims for which fees were paid, specifically claims Nos.:	al Search Report
4. No required additional search fees were timely paid by the applicant. Consequently, this International restricted to the invention first mentioned in the claims; it is covered by claims Nos.:	Search Report is
Remark on Protest The additional search fees were accompanied by	the applicant's protest.
No protest accompanied the payment of additional	al search fees.
